Lansing Resident Matt Waligorski Named HBA of Michigan 2012 Associate of the Year

The Home Builders Association of Michigan (HBA of Michigan) has named Matt Waligorski of Lyman & Sheets Insurance Company in Lansing Charter Township as *2012 Associate of the Year*. The award recognizes outstanding service to HBA of Michigan, the industry and local community.

Waligorski has been an active member in the Home Builders Association of Greater Lansing (HBAGL) since 1997, where he has served on board of directors since 2009, and has served on its board of directors seven times. He has been elected to serve as HBAGL's board of directors' treasurer in 2013, a position Waligorski has held for the last two years. His additional committee involvement is extensive, including participation in HBAGL's finance, membership, and nominating committees, among a number of others. Waligorski has also been a member of the Home Builders Association of Michigan since 1997

Waligorski is an active member in his community. He is a member of the Lyman & Sheets Insurance Agency Newsletter Committee where he writes articles regarding current insurance industry issues. Waligorski holds professional designations with the Society of Insurance Educations and Research and is currently working towards designations as a Certified Risk Manager (CRM). He is also a member of Associated Builders and Contractors (ABC). Dedicated to enhancing the community, Waligorski has volunteered with Habitat for Humanity as well as HBA local community service projects. Waligorski stated he always attempts to utilize his management and people skills and his experience in the insurance industry to generate strategies and innovative ideas.

The Home Builders Association of Michigan is a professional trade association comprised of 27 local homebuilder associations around the state and their builder, subcontractor and supplier members. HBA of Michigan works to positively promote the building industry and impact legislative, regulatory and legal issues affecting housing affordability.
